We are pleased to inform you that your insurance provider has approved your claim. Your vehicle repairs are complete, and you may now pick up your vehicle from the workshop.

Dear CEO, HOG PolicyBazaar & Higher Complaints Team,

I am writing to formally escalate the extremely delayed and poorly managed handling of my car insurance claim bearing Claim Reference ID: 5076123.

My vehicle is insured with United India Assurance Company Limited under Policy Number: 22300031260160232264.

The accident was intimated on 14 April 2026, and all required claim documents were submitted on 15 April 2026. Despite the timely submission of all documents and completion of formalities from my end, the claim still remains unsettled even after more than one month.

Further, I would like to highlight that my vehicle repair work was completed and the car has been ready for delivery since 12 May 2026. However, due to the continued delay in claim settlement and lack of approval/clearance or timely co-ordination from your team, the vehicle is still stuck at the garage.

Because of this unnecessary delay, I have been incurring additional expenses on a daily basis for alternate transportation and related costs. These additional expenses, arising solely due to the delay in settlement despite the vehicle being ready, should also be appropriately compensated/refunded to me.

I would also like to highlight the highly casual and unprofessional approach displayed by the assigned advisor, Ms. Geeta Negi (Advisor ID: 43566). Throughout this process, there has been a serious lack of timely communication, transparency, and accountability from the team handling my case. Repeated follow-ups have not resulted in any meaningful update or resolution. Everytime i call the team, a new set of documets are required for production.

This prolonged delay has caused significant inconvenience, financial burden, and unnecessary stress.

As a customer, I expect a professional and efficient claims process with proper communication and timely resolution. Unfortunately, the handling of my case has been extremely disappointing and far below acceptable service standards.

I request your immediate intervention in this matter and urge you to:

1. Provide a clear and final status update on my claim.
2. Confirm the exact reason for the delay in settlement.
3. Share the expected timeline for settlement completion.
4. Expedite the claim approval and settlement without any further delay.
5. Refund/compensate the additional expenses incurred by me from 12 May 2026 onwards due to the delay in claim settlement.
6. Review the handling of this case and the conduct of the concerned support team.

I sincerely hope this matter receives urgent attention at the highest level and is resolved immediately.

Looking forward to your prompt response.
